SHIMOGA TOWN MUNICIPALITY.

Draft bye-laws framed by the Shimoga Town Municipal Council under Section 48 (1) (a) of the Mysore Town Municipal Act VIII of 1933, for regulating and inspecting the working of the slaughter-house in SHIMOGA TOWN MUNICIPALITY.

Bye-laws framed by the Town Municipal Council, Shimoga, for regulating and inspecting the working of the slaughter-house in Shimoga under Section 48 (1) (a) of the Town Municipal Act VIII of 1933.

1. These Bye-laws shall be called "Slaughter-house Bye-laws of Shimoga Town Municipality."

2. The Slaughter-house shall be used only for the slaughter of sheep and goats or any other animal that may be notified by the Municipal Council from time to time. No animal shall be slaughtered in any place within the Municipal area other than the slaughter-house except as provided for in bye-law number 24 INFRA.

3. No persons other than butchers and such other persons as may be permitted by the President in writing shall have access to the slaughter-house for the purpose of slaughtering the animals either for sale or for private consumption.

4. (a). Persons intending to work in the slaughter-house for dressing the meat shall apply to the President in form shown in Appendix A, for a license with a fee of annas eight per year or part thereof within 15 days

days after the introduction of these bye-laws into this Municipality and thereafter within 15 days from the commencement of every year beginning with 1st July.

(b). On receipt of such application, the President shall grant the license applied for in the form shown in Appendix B, unless he finds it necessary to refuse it for any cause that he deems fit.

(c). In case the license applied for is refused, the fee paid by the applicant shall be refunded to him.

IV

(d). The President shall have power to suspend or cancel the license once granted under these bye-laws for any reasonable cause, but the fee paid for issue of such license shall in no case be refunded.

5. Every person intending to make use of the slaughter-house for purposes of slaughter of animals shall before entering the slaughter-house pay a fee of annas two per animal either to the Municipal employee or to the contractor in case the right to levy such fees is farmed out by the Municipal Council.

6. No animal shall be slaughtered in any place other than the place allotted for the purpose and beyond the hours that may be fixed by the President from time to time and notified in a conspicuous place in or near the slaughter-house.

7. Every animal intended to be slaughtered in the slaughter-house shall be brought thereto not less than one hour before the time fixed for slaughter so as to admit of its examination by the Veterinary Inspector as laid down in Clause (10) INFRA.

8. (a). The President, the Vice-President, the District Health Officer, the Chief Officer, the Sanitary Inspector, the Veterinary Inspector and the Market Sergeant shall have free access to the Slaughter-house or any part thereof, at any time either during the day or during the night for purposes of inspection or supervision or any other purpose whatsoever

(b). The Municipal employee in charge of the slaughter-house, the slaughter-house contractor, if any, the owner of the animal brought for slaughter and the butchers and other persons permitted to work in the slaughter-house under bye-law 4 (b) SUPRA shall be bound to obey and carry out the orders and instructions of the officers and persons mentioned in para (a) above.

9. No animal that is or is suspected to be with young and no animal which is not inspected by the Veterinary Inspector and certified as being fit for human consumption shall be slaughtered

10. The Veterinary Inspector shall carefully inspect every animal brought for slaughter, whether for private consumption or for sale to the public, and on satisfying himself that the animals intended for slaughter are perfectly healthy and fit for human consumption shall cause them to be stamped with a seal prescribed by the Municipal Council, before they are admitted into the slaughter-house.

11 (a). The Veterinary Inspector shall also examine the carcasses of animals slaughtered in the slaughter-house and shall with the previous written permission of the President cause to be destroyed or buried at such time and place as may be fixed by the President any carcass or organ or any part of any carcass that he may find diseased and unfit for human consumption. Provided that the skin of any carcass may be handed over to the owner at the discretion of the Veterinary Inspector if such skin does not show signs of any contagious or infectious disease.

(b). The President may also authorise the Sanitary Inspector to discharge the duties of the Veterinary Inspector under this clause, if and when he deems it necessary.

12 (a). After the animal is slaughtered the Veterinary Inspector shall examine the carcass of the slaughtered animal and if he finds the same to be fit for human consumption shall in proof thereof and before such carcass is removed from the slaughtered house cause it to be stamped with a seal prescribed by the Municipal Council for the purpose.

(b). No carcass or any portion of any carcass or meat of any animal which does not bear the stamp referred to in para (a) above shall be offered or exhibited for sale in any place within the limits of this Municipality.

(c) The Veterinary Inspector, the Sanitary Inspector, the Market Sergeant and any other municipal

municipal employee in charge of the mutton Stalls shall see that all carcasses exhibited for sale in the mutton stalls bear the stamp referred to in para (a) above and shall report to the President, the Vice President or the Chief Officer every case of unstamped carcass exhibited for sale, along with an explanation which the person in charge of such carcasses may offer, and the President may pass such orders as he deems fit in each case regarding the disposal of such unstamped carcasses. In such cases the owners of the carcasses shall not be entitled to claim any compensation therefor.

13. All carcasses, meat and any part of the slaughtered animal which are fit for human consumption and are permitted to be removed from the slaughter-house shall be carried only in covered baskets or in covered carts as the case may be and such baskets or carts and their covers shall always be kept clean.

14. All meat exhibited for sale in the mutton stalls which on inspection by the President the Vice President, the District Health Officer, the Chief Officer, the Sanitary Inspector or the Veterinary Inspector is found to be unfit for human consumption and the offal of any such animal exhibited for sale shall be caused to be seized and destroyed forthwith notwith-standing that they are stamped under ~~Clause~~ (sub-law) 12 SUPRA.

15. (a). No person shall blow by means of insufflation the carcass of animals slaughtered for human consumption

(b). The skins, entrails and offal of slaughtered animals which are not seized for destruction shall be collected by the owners of such animals in the place allotted for the purpose in the slaughter-house in which place alone they should be washed and cleaned before their removal therefrom.

(c). All refuse or offal of slaughtered animals rejected by the owners and all the contents of entrails shall be deposited forthwith by the owners or their assistants in the receptacle provided for the purpose.

16. All skins, fat and offal of slaughtered animals shall be removed within two hours from the time of their slaughter by the respective owners or by their assistants, if any, failing which they shall be considered as refused and shall become the property of the Municipal Council and be disposed of as the President may direct.

17. No person shall sell or store meat, skin or offal in or in the premises of the slaughter house or in any other place within the municipal limits of this town except the place or places provided for that purpose by the Municipal Council from time to time.

18. No person suffering from leprosy, sores or any loathsome, contagious or infectious disease shall enter the slaughter-house.

19. No dog shall be admitted into the slaughter-house. Any dog found in the slaughter-house shall be liable to be destroyed subject to the orders of the President.

20. No person shall make noise, fight, quarrel or use insulting or obscene language within the premises of the slaughter-house. Persons contravening the provisions of this clause shall be summarily ejected by the President, Vice-President, the District Health Officer, the Chief Officer, the Sanitary Inspector the Veterinary Inspector, the Market Sergeant or any Municipal Employee in charge of the slaughter-house in addition to his being liable to punishment as provided for in Bye-law 25 INFRA.

21. No person shall spit or ease himself or deposit any dung or other rubbish in or in the premises of the slaughter-house.

22. No person shall cause any damage to the internal surface of the walls, pavement or any other part of the slaughter-house building.

23 No carcass or any portion of a carcass or meat of any animal slaughtered outside the limits of this Municipality shall be brought within or supplied to any person or institution within the limits of this Municipality either for sale or for any other purpose.

24 The President may on the application of any person permit in writing during the following festivals and religious ceremonies the slaughter, outside the slaughter-house, of sheep or goat or any other

other animal that may be notified by the Municipal Council from time to time, upto the limit specified below without payment of the fee prescribed for the slaughter of animals in the slaughter-house and subject to the condition that such animals are produced before the Veterinary Inspector for examination and certification of their fitness for human consumption if the animals were intended for slaughter within the slaughter house. The permission granted by the President under this clause shall be duly communicated to the Veterinary Inspector forthwith.
